Nicola – Deputy Chair

Miss Tyres – Deputy Head

Apologies sent from Claire and Agnes

- All members agreed as part of the AGM that all members with a specific job role at the end of last year would remain in the same roles for this school year (Listed above)
- Autumn disco that the PTFA had originally planned to take place will now be put on hold until the Spring due to the attempts at making contact with the DJ being unsuccessful so far therefore making the amount of notice that would be given to parents too short.
- Autumn 'Be Creative' competition to take place. This could be creating an Autumn themed picture from leaves, twigs and conkers etc, a pumpkin carved at home or even an Autumn scene made from lego or playdoh.
  Entries to be sent as a picture of the child's completed entry to a designated email address. 50p entry for each child entry. All children that enter will receive a small chocolate, with a winner from each year group also receiving a prize Closing date will be after the half term giving children more time to enter
- Debbie to speak to Mrs Hamilton to see if creating a PTFA email address via the school is a possibility.
- Poster to be created to advertise the Autumn competition and sent to parents/child
- Miss Tyres asked if she could provide the PTFA with some available dates to hold a Christmas Fete
- Miss Tyres will look into what resources the PTFA have stored at St Mary's (possibly in the big container on the school field)
- Next meeting we will discuss and decide on stalls/games that could be at the Christmas Fete.
  Debbie to see if she can arrange a Santa to attend that has the required checks completed.
  Start the planning of collecting tombola prizes etc for Christmas fete.

Next meeting will be scheduled for the first week back after half term, day to be confirmed
