Year 6 will be introduces to our most famous playwright—William Shakespeare. We will find out about the life of William Shakespeare himself as well as studying his work. We will learn about the strong themes that run through each piece— love, death, ambition, power, fate, free will, just to name a few. Year 6 will act out one of his plays as well as writing a new scene for it. In poetry, we will look at his sonnets and study the features , language and themes running through and use them as a basis to write our own.
