It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

**Intent** - Curriculum design, coverage and appropriateness

**Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2022/2023, as well as on the impact it has on pupils' PE and sport participation and attainment. The funding **should** be spent by 31<sup>st</sup> July but the DfE has stated that there will be **no clawback** of any unspent money so this can be carried forward into 2023/24.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2024. To see an example of how to complete the table please click [HERE](#).

## Details with regard to funding

Please complete the table below.

Total amount carried over from 2022/23	NA
Total amount allocated for 2022/23	£18,000 (approx.)
How much (if any) do you intend to carry over from this total fund into 2023/24?	NA
Total amount allocated for 2023/24	£17,770 (approx.)
Total amount of funding for 2023/24. <b>Ideally should</b> be spent and reported on by 31st July 2024.	£17,770

## Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.  N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023. Please see note above	63%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	33%
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	80%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2023/24		Total fund allocated:	Date Updated:	
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:

Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
To provide targeted activities or support.	Promote Inspire+'s Talented Athlete Programme for children who have a real talent for sport: <ul style="list-style-type: none"> <li>- KS1</li> <li>- Years 3 &amp; 4</li> <li>- Years 5 &amp; 6</li> </ul>	Inspire+ Membership	Reports on those children accessing improved physical activity workshops. Increased opportunities for those pupils identified as Talented in PE.	Nominated children given the opportunity to attend. Children attended each of the TAP sessions (virtually and last one face-to-face).
To involve and encourage the least active children.	Provide opportunities for children who, for any reason, are unable to attend extra-curricular clubs, throughout the year (one per term after school).	Shown within club provision	Photographs/ newsletters/ social media/ website/ noticeboard publication.	Sports Newsletters (Sway) document this alongside the Sports Tracker for involvement. Next step: maintain/ increase the % of children attending after school clubs.
To improve children's physical fitness, fundamental movement skills and physical activity levels.	Termly fitness videos/ indoor provision. Intra school competitions to take place.		Maintain the number of pupils participating in Level 1 competitions - tracker (100%).	100% of pupils have participated in a Level 1 competition - house events throughout the year. Next step: continue with this next year in a similar format due to its success.
	Continue with the provision of a Change4Life lunchtime clubs targeting children who are less active.	Inspire+ Membership	Number of children who are inactive decreases due to the opportunities provided.	Change 4 Life clubs have taken place with all classes. 56% of children have attended a C4L club. Next step: maintain those accessing this provision.
	Continue with the Daily Mile for all KS1 children in school. Extend to KS2, where required.		All children become more active and adhere to Chief Medical Officer guidelines.	Daily Mile takes place in KS1 and acts as a great brain break keeping them active and ready to learn.
	Signpost children and their families to provide the school community with a range of sport related activities, through holidays: #HealthyHappyActive camps, HAF camps and Sports Holiday Clubs (ME Sports).		Feedback from Inspire+ on attendees.	Sports Newsletters and social media continue to promote holiday camps. Next step: continue to promote and building community sports links.
