PE and Sport Premium Statement 2024-2025

## The Primary PE and Sport Premium

Planning, reporting and evaluating website tool

Updated May 2023

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The Education Inspection Framework makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education Ofsted inspectors consider: Intent - Curriculum design, coverage and appropriateness Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment **Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools funding to make additional sustainable improvements must use the and Physical Education, School Sport and Physical Activity (PESSPA) to the quality of they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer •
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's • budget should fund these.

Please visit gov.uk for the revised DfE guidance including the5keyindicatorsacrosswhichschoolsshoulddemonstrate an improvement. This document will helpyoutoreviewyourprovisionandtoreportyourspend. DfEencouragesschools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding, including any under-spend from 2022/2023, as well as on the impact it has on pupils' PE and sport participation and attainment. The funding should be spent by 31<sup>st</sup> July but the DfE has stated that there will be no clawback of any unspent money so this can be carried forward into 2023/24.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2024. To see an example of how to complete the table please click HERE.

Total amount carried over from 2023/24	NA
Total amount allocated for 2023/24	£17,770 (approx.)
How much (if any) do you intend to carry over from this total fund into 2024/25?	NA
Total amount allocated for 2024/25	£17,770 (approx.)
Total amount of funding for 2024/25. Ideally should be spent and reported on by 31st July 2025.	£17,770

## Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024. Please see note above	57%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	32%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	71%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No
