

PENTECOST TERM 1

St Anne's Class

St Mary's Catholic Voluntary Academy Curriculum Overview

Year 4

Religious Education:

We will learn how the early Church spread across the world, how the Holy Spirit guides Christians, and how the Church lives out Jesus' message.

RSHE: Keeping Safe

Children will learn about different types of abuse through animated stories. Children will also learn about the effects of drugs, alcohol and tobacco and how to make good choices as they get older. They will explore what to do in emergency situations and how to stay safe out and about. They will learn about legal rights and responsibilities.

Science: Eating and Digestion

We will be learning how to sort animals based on their diets; learning about food chains; human teeth and their functions and how the digestive system works. We will learn all about the organs and their functions.

PE:

- Outdoor Adventurous Activities on Mondays
- Tennis on Wednesdays

French

We will be learning how to:

- Remember and recall a wide variety of foods, snacks, and drinks typically served in a salon de thé.
- To understand better how to change a singular noun to plural form.
- Perform a short role-play ordering what they would like to eat and drink

English:

Reading text/Visual literacy:

Anglo-Saxon Boy by Tom Bradman

Writing genres:

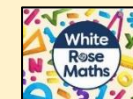

We will be writing short pieces of writing, including: diary entries, character descriptions, setting descriptions, new scenes followed by a 3 week unit on playscripts.

History: Anglo-Saxons

We will be looking at who the Anglo-Saxons were and why they came to Britain. We will be looking at the many Anglo-Saxon kingdoms and their hierarchy. We will be exploring some Anglo-Saxon artefacts and working out their purpose.

Maths: Fractions and Decimals

We will be looking at converting mixed numbers to improper fractions and vice versa before moving onto decimals.

We will also be looking at times tables ready for our times tables test in June.

Art: Sculpture

We are going to be designing a 2D model before turning into 3D. We will be using wire to make our own sculptures. We will be thinking about how to display them.

Music: Far Eastern Music

We will learn the Pentatonic Scale (in C). We will then use the Pentatonic Scale to compose a short piece of music with melody and rhythm.

Computing: Creating Media – Photo Editing

We will develop our understanding of how digital images can be changed and edited, and how they can then be resaved and reused. We will consider the impact that editing images can have and evaluate the effectiveness of our choices.
