Why do we care for the world?

Hear

The Story of Noah (Genesis 9:7-17):

- Noah was a good man who listened to God.
- God told Noah to build a big ark to keep his family and the animals safe from the flood.
- After the flood, God made a covenant with Noah never to send a flood again to destroy all living things.
- God put a rainbow in the sky to remind everyone of this promise.
- The rainbow shows that God loves the whole world and keeps His promises.

Laudato Si: 'Through Noah, who remained innocent and just, God decided to open a path of salvation. In this way he gave humanity the chance of a new beginning. All it takes is one good person to restore hope!'

Psalm 139: In praise of God's Creation of each of us and his love for us.

Believe

God makes a **covenant** (promise) with **Noah** to save all living things.

People in the story of Noah turned away from God and chose to act badly; this is behaviour called **sin**.

The Sacrament of Baptism is when a person becomes part of the Christian family and promises to love God.

The Christian **Bible** is split into two parts, the **Old Testament**, and the **New Testament**.

Celebrate

Psalms are prayers to praise God.

Sacraments are living signs of Jesus' love for all people.

Baptism is the first sacrament which welcomes people into the Christian family.

Symbols of the Sacrament of Baptism:

- Sign of the cross – the baby is welcomed into the Christian family
- Holy Water – washes away original sin and gives new life
- Oil of Chrism – baby receives the gift of the Holy Spirit and is made holy
- White garment – the baby is now a Christian
- Baptismal candle – the light of Christ

Live

We can show care for God's world (stewardship) as part of our care for each other.
